	<p>The customer journey What happens when a customer first accesses a jobcentre.</p>		<p>The customer journey What happens when a customer first accesses a jobcentre.</p>
	<p>Work coach challenges Our work coaches explore their challenges and what they'd like to see in an ideal world.</p>		<p>Work coach challenges Our work coaches explore their challenges and what they'd like to see in an ideal world.</p>
	<p>Employer case-study Talk Talk tell us about their employer relationship with DWP.</p>		<p>Employer case-study Talk Talk tell us about their employer relationship with DWP.</p>
	<p>Kickstart scheme Learn more about Kickstart and challenges the team faced.</p>		<p>Kickstart scheme Learn more about Kickstart and challenges the team faced.</p>
15:15 – 16:00	Tech workshops – choose 1		
	<p>The imaginarium Product Manager Karl Dickman brings ideas and prototypes to life. You'll get everything you need to come up with an idea, bring it to life and present it back to the group and truly understand the value of doing this for your products and services.</p>		
	<p>Design Thinking with IBM Design Thinking is an innovative problem-solving process that fosters creativity and innovation. It helps teams rapidly bring problems into focus in a way that enables them to ideate, create and iterate solutions. This workshop will help teams understand and solve the core challenges in this Hackathon.</p>		
	<p>MongoDB Data Platform Learn about Atlas (Database-as-a-Service) and Realm (Platform-as-a-Service and mobile database). This workshop will get you up and running with a MongoDB Atlas database cluster and a Realm backend app.</p>
